Winners are Grinners

The club Christmas party day was very well attended with 39 players. Only one team was short with Troy Hughes missing in action. Not sure where Troy was but his partners thought he may have been horizontal for the afternoon. The winners were Genny and Rob Imhoff, Julia Ritson and Col Hoey who played well to score 52 3/4 nett. Runners up were Bruce Smith, War-

ren Williams, Dan Willett and Paul Newman. Shouldn't let out the secret to their success but Genny and

Julia put great faith in the fairies on the day.

The Mixed Matchplay final also featured the four players pictured above. Julia and Col were the successful combination.

Course Improvements

You may have noticed the new tees making further progress with the laying of the turf. On a very wet day, thanks to the guys who turned up and completed the exercise. A job well done. There was also a trial sanding of a couple of greens following grooming. The results suggest that this will be an ongoing task with the surfaces of the two greens done greatly improved.

Golf 2012

The New Year is upon us and I hope everyone has had an enjoyable festive season. The postponed Captains v Presidents Day will be on January 15. The week before is the first Monthly Medal day for the year and we acknowledge our new sponsor Vander-

field Machinery. Hackers gets underway on Friday the 6th and Sporters commences Tuesday the 10th.

Happy Golfing in 2012.

"Error" must go somewhere.

If your driver is hot, your putter is ice cold; if you can hit your irons, you will top your woods; if you are keeping your right elbow tucked in, your head will come up.

No getting away from it.
